

Serenity Day Spa

Hydro-Facial Consent Form

Name: _____ Date of Visit: _____

Hydro-Facial is the only hydradermabrasion procedure that combines cleansing, exfoliation, extraction, and hydration, with little-to-no downtime! The treatment is soothing, non-invasive, and generally non-irritating. As with most procedures, results will vary from client to client.

What to Expect:

- Your skin may experience temporary irritation, tightness, or redness. These are all normal reactions that typically resolve within 72 hours.
- You may experience tingling and stinging depending on the treatment area or serums that are used during your procedure.
- You will likely see results immediately after your treatment and your skin may feel soft, smooth and extremely hydrated.
- Breakouts and skin
- Your skin will be more susceptible to sunburn or sun damage. Please use SPF 40 Sunscreen for the days following your treatment.

Have you recently had Botox/ Filler Injections or Laser Treatments? If so, how long ago?

I Acknowledge the Following:

- I will avoid the use of aggressive exfoliation, waxing, and products containing glycolic acid or retinols for a minimum of one week following my treatment.
- The Information provided to me has been explained and I will ask any questions, should one arise.
- I give my consent to have the Hydro-Facial treatment by the staff at Serenity Day Spa, LLC.
- By signing below, I acknowledge that I have read that above statements and give my consent to be treated, and that this form is valid for all future Hydro-Facials I may receive here. I will alert my Esthetician of any changes to my medical history or concerns.
